Avalon and Athena

Both Avalon and Athena, referred to as Ground Crew, chose to be on Earth at this great time of change, as volunteers for Earth Mission, The Divine Plan, to help planet Earth in her and “our” ascension process.

Avalon has been a Walk-In since 1975. At 33, he lived in Mt. Shasta, California with Sister Thedra, who first brought forth the recognition of Sananda to the world. He also studied at the “I AM Sanctuary” in San Francisco for two years and has been awake since the mid 1970’s. He is Fleet Commander from Arcturus and open to sharing his Knowledge and Truths.

Starship Commander with the Pleiadian Fleet under Ashtar, Athena, born with the empowerment, has been a channel for the Ascended Masters and Galactic Federation for some 30 + years and has travelled the World facilitating and helping others to be all they can be. She woke in the early 80’s to her self-truth and has dedicated her life to Earth Mission and all in service. After 12 years, the Galactic Counsel has asked Avalon and Athena, once again, to step forward in Service, at this great time of change.

They consider themselves just one of the many “way-showers” coming forth and sharing the Truths around all the changes that are upon us, starting back to when it all began... They are mystics, seekers of Truth and Love.

It’s a wonderful adventure, especially when you understand how it all came about and what your role is and always has been!
